For immediate release: August 21, 2009

Colene Gaston of Fayetteville, Staff Attorney for Beaver Water District, was designated a Fellow of the Arkansas Bar Foundation on June 10.

Outstanding lawyers who are members of the Bar of the State of Arkansas are invited to become Fellows of the Foundation. The Arkansas Bar Foundation is the charitable arm of the Arkansas Bar Association. The Foundation's mission includes supporting continuing legal education for lawyers, supporting efforts to diffuse knowledge of the law, and publishing reports and other literary works on legal subjects.

Ms. Gaston joined Beaver Water District in 2006, where she provides legal counseling primarily on environmental issues, including regulatory compliance and source water protection. Beaver Water District's mission is to serve our customers in the Benton and Washington County area by providing high quality drinking water that meets or exceeds all federal and state regulatory requirements in such quantities as meets their demands and is economically priced consistent with our quality standards.
